DATE MAILED: 12/11/2002

Please find below and/or attached an Office communication concerning this application or proceeding.

The reply filed on August 12, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): it does not state which of the new claims, if any, read on the elected species of Figure 1. This is an on-going requirement. See Paper No. 4, page 2, last two lines.

Furthermore, the replacement claims on pages 1-4 of the August 12, 2002 amendment cannot be reconciled with the marked-up copies found on pages 14-17. They are materially different. See for example claim 1 which includes a paragraph (e) in one incantation and no paragraph (e) in another incantation. Please fix this and make sure all the claims agree with one another. Claim 1 is offered up by example only. The remainder the claims have not been reviewed carefully.

The response also alleges a substitute specification (a duplicated original) was submitted. There is none in the Examiner's file. Please submit one or re-submit one (whichever is applicable).

Regarding the drawing corrections, the Examiner did receive new drawings November 20, 2001 however, in Figures 2-6, many parts (apparently finding correspondence in Figure 7) are not labeled or legended. If Figures 2-6 do not add anything material to the disclosure, the Examiner would suggest canceling them. If they do add some-thing material, label all the parts in each of Figures 2-6 which find correspondence in Figure 7. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the

omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to John Ford at telephone number 703-308-2636.
